

Dear friends,

Paris has 1600 hotels with prices ranging from 60 to several thousand euros per night.

We are glad to present a selection of hotel prices for 6 nights from August 24 to 30, less than 20 minutes walk away from the Malesherbes Conference venue.

The "Centre Malesherbes" can be easily accessed by metro lines 2 and 3, and you can find cheaper hotels in the neighborhoods around the train stations (Saint-Lazare station, Gare de l'Est, Gare du Nord and even Montparnasse station).

Booking.com is a good tool to appreciate and book a hotel but sometimes hotel sites offer more interesting rates.

You can also consult the Accor group site ([all.accor.com](http://all.accor.com)) which has several hotels in Paris, the cheapest of which are Ibis Styles and especially Ibis Budget. The Malesherbes area offers a selection of these hotels: Ibis Styles Batignolles, Ibis Paris Berthier Porte de Clichy, Ibis Paris Montmartre Sacré Cœur, and Ibis Styles Paris Saint Lazare.

We are looking forward to welcoming you in Paris!
